

Project Report

1.INTRODUCTION

1.1 Overview

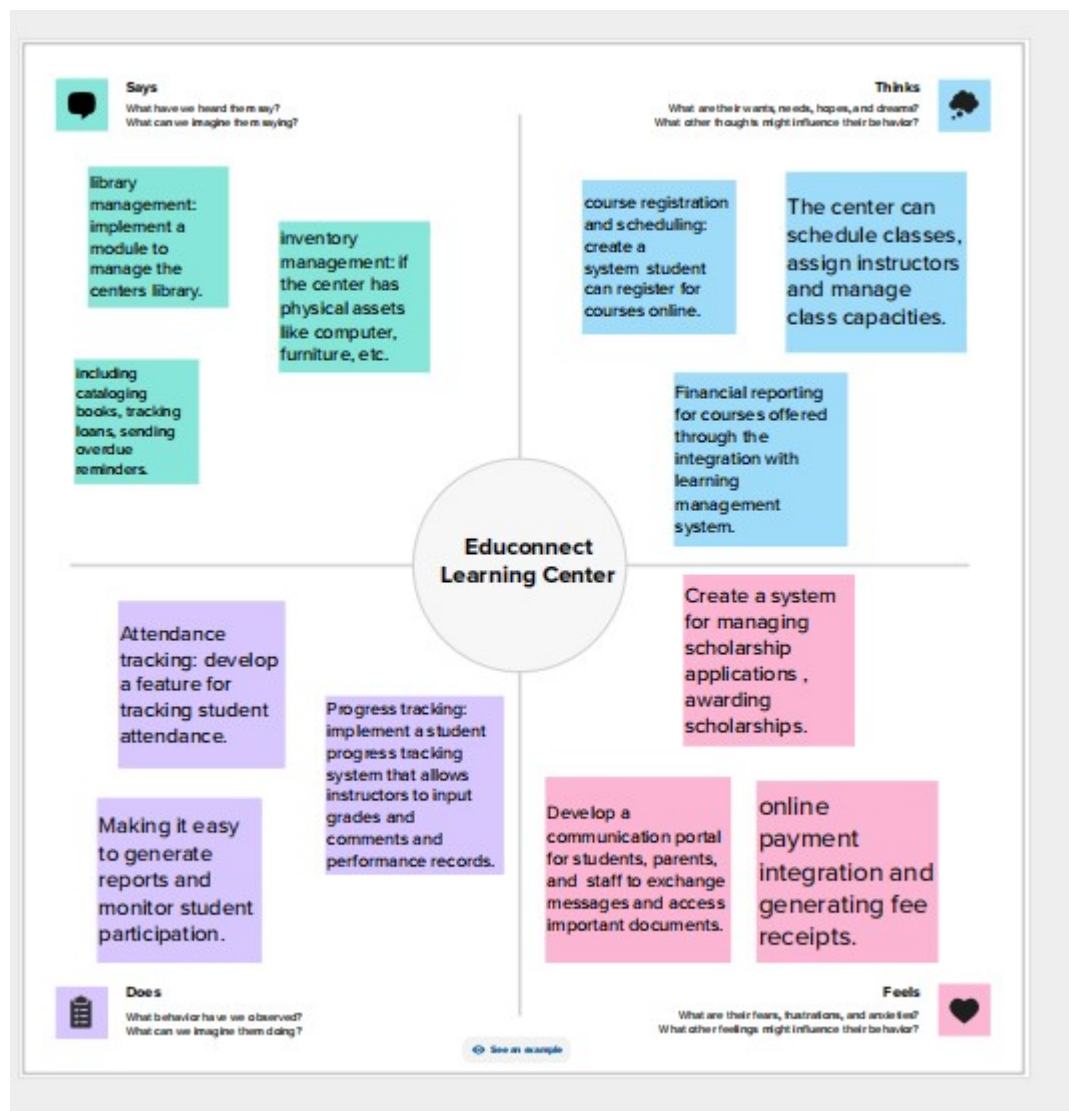

These centers serve as a hub for students to access online courses, video lectures, and interactive simulations. Educonnect is not just about providing hardware and software; it's about fostering a sense of community involvement. Center is to provide students with opportunities to increase and enhance their academic skills and abilities through cultivating effective learning practices.

1.2 Purpose

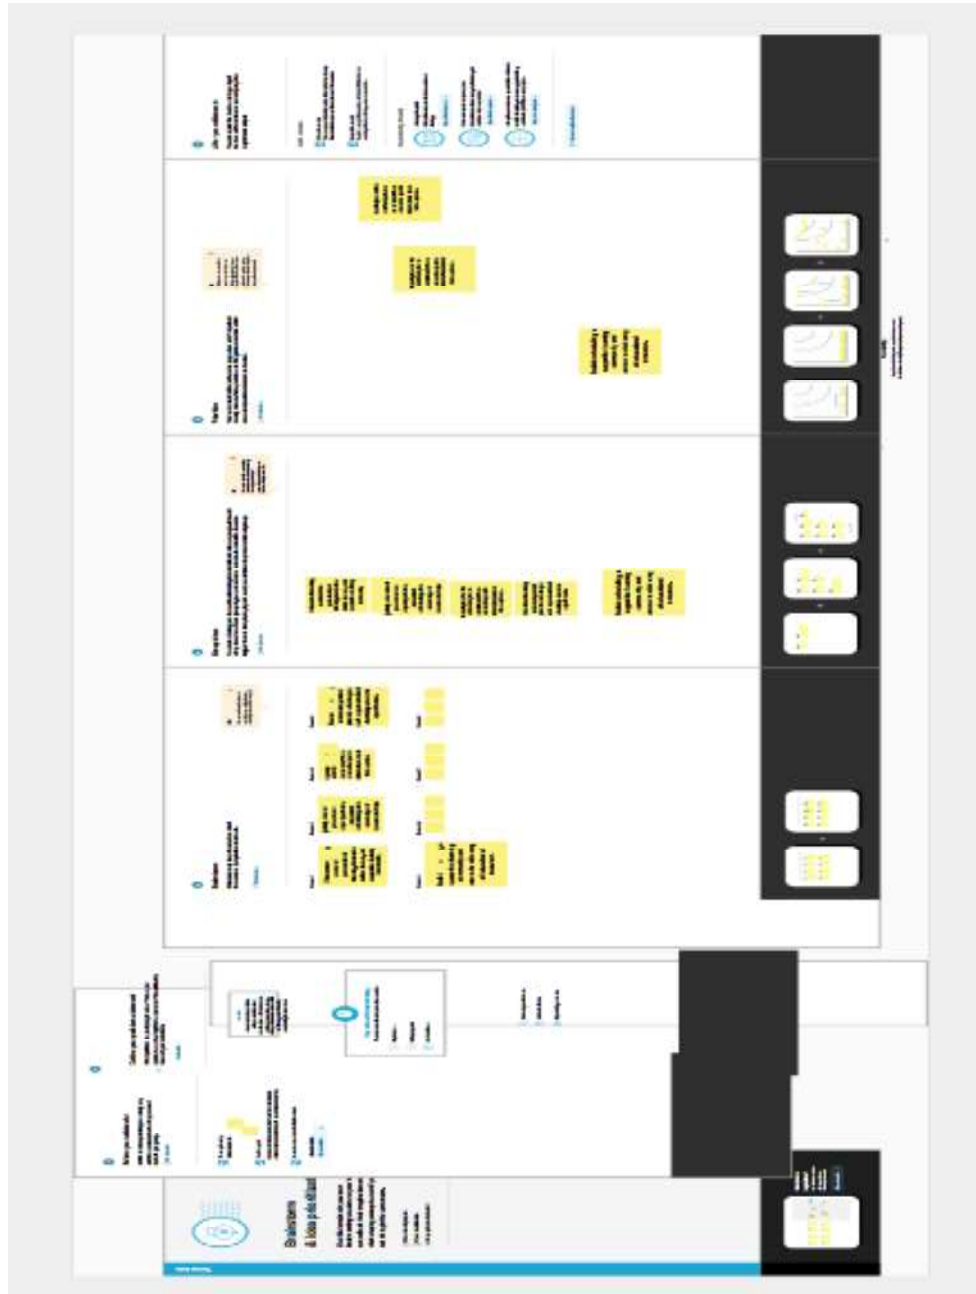

The Learning center empowers student to achieve their academic and personal goals via opportunities for enhanced learning, interpersonal development, personal responsibility, and leadership. The activities are used to focus on a set of skills and deepen the students knowledge and abilities in that area.
